

UPCOMING EVENTS

Get ready for great quilting fun this summer as the 2014 Row By Row Experience comes to Maryland! You'll be able to go from shop to shop as you travel (New York and Pennsylvania, too) from July 1st through September 2nd and collect patterns for a great row-by-row quilt with the theme Sew A Season. The first quilter who brings a completed quilt using at least 8 different rows into a participating quilt shop by October 31, 2014 will win 25 fat quarters. (Each shop will make this award, but only 1 per shop!)

We've designed our row and Jackie is working on our model and pattern this month. You'll be able to see the finished product in June!
