

News Flash & Directions For Your Member Badge

Dear QuiltingHub Members,

This is a special out of sequence newsletter because of some wonderful news!

Our continued commitment to being the best has paid off. We have enjoyed increasingly heavy traffic and have reached #2, #1, #1 ranking in Google, Bing, and Yahoo respectively in many key word searches like "quilt shops near me."

If you have not yet proudly displayed your membership badge on your website home page, now is the time. This is the HTML to put on your site and what the resulting logo will look like:

HTML(Cut & Paste To Your Site)	Resulting Logo
<pre></pre>	 The logo is a square badge with a dashed border. At the top, it says "Member Of" in a serif font. In the center is a stylized globe with red and blue petals or leaves radiating from it. At the bottom, it says "QuiltingHub.com" in a serif font.

If you need assistance putting this on your website, call us at 513-800-0884.

Sincerely,
Paul Johnson
QuiltingHub - Most Trusted
